FAVORITE HIBISCUS

At the Annual Membership Meeting all in attendance were handed ballots on which to vote for the "Hibiscus Of The Year" and for their five favorite varieties.

There were 47 ballots handed in. Evidently some of the members didn't have any favorites or didn't feel up to all those decisions that had to be made.

The tri-color winners of last year were listed and the members were asked to vote for one from this list to be the "Hibiscus Of The Year". "John Tipton" received the highest number of votes. "John Tipton" is a bluish double seedling grown by Monroe's Nursery and named for the husband of our Secretary, Mrs. John Tipton.

From the 47 ballots cast it is interesting to see what wound up as favorites. There were 66 different varieties listed on these 47 ballots. The top five were

Veronica	16 votes
Nagao #20	15 votes
Madonna	14 votes
Nathan Charles	10 votes
New Crepe Pink	10 votes

The other varieties came out thus:
